

SATURDAY
October 11, 2025

Jeromesville, Ohio

12:30 p.m. (EST)

Fellow cattlemen, friends, and guests,

Welcome to the 2025 edition of the I&L and Guests Sale!

We along with our consignors want to welcome you to Jeromesville, Ohio on October 10th and 11th to appraise a high-quality set of Hereford genetics. There is no better time to be in the cattle business and be involved in the Hereford breed than the present. Feeder cattle, fat cattle, and cull cows have all seen record highs this past year. Beef demand has reached unprecedented levels both domestically and internationally. Hereford cattle have seen high demand for their ability to add maternal traits without sacrificing carcass merit, feed efficiency, and sustainability, all while packing an added punch of heterosis when mated to black cows. Our family believes we will continue to see high times in the cattle business and readily believe in Herefords ability to be a valued asset when building back our national cowherd. There is no better time to invest in Hereford cattle built for the future of the beef industry.

We feel our offering represents the efforts of our focus to build cow families that are balanced in the flesh and on paper with a particular focus on udder quality, reproductive efficiency, and carcass merit. The always important "checkbook index" has been kept paramount as our cowherd pays the bills and we expect them to do the same for you. Numerous high quality cow prospects and potential donor females highlight our offering, along with several herd bull prospects that can fit both purebred and commercial herds alike. Our good friends and consignors have also brought an outstanding set of young cows, heifer calves, and herd bull prospects. We think there is something for everyone to find in this sale with many sired by nationally recognized AI sires or carrying the service of many of today's popular sires.

We welcome you to attend the sale in person on October 11th. Once again, Jeff Harr's famous brisket and the ice cream machine will be served at the pre-sale party held on Friday evening when the sale offering will be on display. Our phones are always available to answer any questions you might have about the offering or if we can be of any assistance. Jeromesville, Ohio will be the place to be on Saturday, October 11th!

Jeff, Lou Ellen, and Keayla Harr

Live Internet Bidding at
www.genesteinermanagement.hibid.com

How to Create Your HiBid account:

1. Go to www.genesteinermanagement.hibid.com/auctions
2. Click login/new bidder at the top of the current auctions screen.
3. Click on the "Don't have a HiBid account? REGISTER HERE"
4. You will be asked to enter your email and confirm your email. Each email can only have one account.
5. Next enter your personal information and create a user name and password.
(Please keep your password in a safe place that you can find it. Password is case sensitive.)
6. Once you have created an account you will be able to login to your new account.
7. Once you have registered to bid you will be asked to register for each individual auction. (Not each lot).
8. At this time you will be asked to register with a credit card to verify your identity.
We will not charge your credit card unless you fail to show up for the scheduled pick up.

SATURDAY
October 11, 2025

Jeromesville, Ohio

12:30 p.m. (EST)

Sale Day Phones

419-685-0549 Lou Ellen
 419-282-3011 Jeff
 419-685-4859 Keayla
 615-427-8979 Locke
 918-760-1550 Dale

GPS Address

334 Mohican Twp. Rd. 1922
 Jeromesville, OH 44840

Directions

Farm located 13 miles east of I-71 and 13 miles west of Wooster off State Route 30. Take State Route 30 to State Route 89. Go south on 89 to first road to right (Township Road 1922). Pass Suburban Propane bulk tank on right. J and L Cattle Services is next farm on right.

Terms and Conditions

1. **TERMS:** Checks or Cash. Each animal to be sold to the highest bidder. The auctioneer shall settle any disputes as to bids.
2. All cattle are to be paid for by the purchaser during or immediately after the sale and will not be released until after settlement has been made.
3. Each animal will be at purchaser's risk immediately after the animal is sold.
4. Insurance will be available.
5. J&L will assist with delivery of cattle.
6. Order bids may be handled by the owners or any of the sale staff.
7. Registration certificates of the animals will be transferred to the buyer at the seller's expense. No AI certificates will be furnished.
8. Any female selling with calf at side is a breeder with no further guarantee in this regard.
9. **HEALTH:** All cattle selling will have interstate health charts required for shipping into other states of the U.S.
10. EPDs were current at time of printing.
11. Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.
12. All persons who attend the sale do so at their own risk and the owners or management assume no liability, legal or otherwise for any accidents which may occur.

Schedule of Events

Friday, Oct. 10

3 p.m. Display of sale cattle at J&L followed by smoked brisket dinner at 5 p.m.

Saturday, Oct. 11

9 a.m. Cattle on display
 11 a.m. Lunch served
 12:30 p.m. J&L Guests Production Sale

- We combined two of our favorite cow families to produce this female, and we think everyone will agree that this mating worked well. Ultra attractive, perfect uddered, easy keeping, and the list of adjectives we could use to describe this female could go on. She is plum good and likely needs to enter a donor program. Her heifer calf at side sired by walking bull 915J is evidence of her ability to produce with the best of them.
- Bred AI on 5/10/25 to Bar JZ On Demand, then pasture exposed from 5/19 to 7/19/25 to WHR 4013 5407 Beefmaker 915J ET. Ultrasounded safe to AI.

• The Excede Z426 daughters have been especially good to us for their ability to produce, and this female bred by our friends at Glenview is no exception. Freckle faced, big bodied, easy fleshing, and pretty uddered, this young matron is hard to sell but the two daughters we are retaining ease the pain. She certainly has proven herself as a female producer as evidenced by her heifer calf at side, but we think her ability to produce stout herd bulls is equally as appealing with her balance both in the flesh and on paper.
 • Bred AI on 4/24/25 to KRM 9160 Follow Me 8G L35 ET, then pasture exposed from 5/15 to 9/20/25 to KH JLCS 87G Over Run M41 ET. Checked safe to AI.

- The Liston family purchased two full sisters at different points in time from the flush of Munson to Mohican Whitney 5G. We knew all along that they would mature into great cows once they finished their show careers, but both females blew beyond our expectations. After some arm twisting, Natalie and Nathan Liston are offering the many time Champion Cow/Calf Pair from this summer for your valuation. An elite power female, whose generating power is endless. We think this beautiful uddered female will generate for years to come. The only reason "Bunny" is selling is because the Liston family retains her full sister, who they are currently flushing. A full brother is a walking bull for the Dorman family. Elite generating potential. Owned by Natalie and Nathan Liston.

- Bred AI on 7/11/25 to Bar JZ On Demand. Blood tested safe to AI.

- If moderate, big bodied, functional beef cows are your type, you need to find this two-year old from the famed Rosy Lane tribe. Bred by our good friends at Grassy Run Farm in West Virginia, this beautiful uddered, productive young cow has out produced herself as evidenced by her stout cow prospect at side. The kind that will make you money on minimal inputs and produce the right kind on every try.
- Bred AI on 4/24/25 to H Richmond ET, then pasture exposed from 5/15 to 9/20/25 to KH JLCS 87G Over Run M41 ET. Checked safe to AI.

• Ultra complete beef cow who stems from a long lasting and productive cow family for Keayla. Her dam now works for Jeff Jordan, and a half sister is a headlining young female for the Elmhirst's in Canada. Outcross pedigree with a variety of mating options in this young beef matron.

• Bred AI on 5/10/25 CRR 66589 Balance 107, then pasture exposed from 5/19 to 7/19/25 to WHR 4013 5407 Beefmaker 915J ET. Checked safe to AI.

• Bred by our good friends at River Valley, 80K is a daughter of a previous sale highlight from the Duranna cow family. Sired by the immortal 4013, we think many will find this moderate, bold bodied, beautiful uddered female. She will wean off a high percentage of her body weight in her stout bull calf at side. As a bonus, her numerical profile boasts growth and marbling.

• Pasture exposed from 6/10 to 9/20/25 to KH JLCS 87G Over Run M41 ET. Observed bred on 6/10/25. Safe in calf.

• An absolute favorite of the crew around J&L, and nearly all who have seen her. Massive, square hipped, bold bodied, and moves like a cat, this 107F daughter is a power female. We are retaining her first daughter to replace her, who has out done herself as a two-year old. Milky, beautiful uddered, and a product of multiple generations of a money-making cow family who traces back to Ellis bred foundation female for us. We think the resulting On Demand calf will easily pay for this female! Halter broke.

• Bred AI on 5/2/25 to Bar JZ On Demand, then pasture exposed from 5/19 to 7/19/25 to WHR 4013 5407 Beefmaker 915J ET. Safe in calf, calving date to determine sire.

• This McMurry bred female came to us from our friends at East Side Farm in Maryland as a heifer calf. Her pedigree represents some of the great breeding programs in Canada. We are retaining a daughter to replace her, and another daughter works for Tim Moran in Ohio. Outcross pedigree in a productive package.

• Bred AI on 5/23/25 to CRR 66589 Balance 107, then pasture exposed from 5/24 to 9/20/25 to KH JLCS 87G Over Run M41 ET. Observed bred 6/9/25. Checked safe to observed pasture exposure.

- This heifer offers the complete package of style, balance, and cow power. She's bold in her rib shape, smooth in her lines, and feminine through her front end, yet carries the depth and volume needed for long-term production. Backed by a strong genetic foundation, this female is built to shine in the show ring today and transition into a highly productive brood cow tomorrow. Truth be told, we wouldn't be letting her go if it weren't for our commitment to offering our very best — Lot 20 is the kind of female that represents the heart of our program. Owned by Laci Dunlap.
- Sells open. OCV. Halter broke.

- This Bennett Monument calf surfaced to the top of the bull calves rather quickly this spring and has continued to be a standout this summer. His donor dam, owned in partnership with Lowell Fisher, has been the mother of many herd bulls including walking sire, K12, as well as the mother of our high selling heifer calf in last years Mohican sale. Big butted, bold sprung, and built with a running gear to go the long haul, we think many will find this calf for his balanced look. Plus, his numerical profile indicates he will add performance and pounds, while adding carcass merit to his offspring. Power and performance in one package. Halter broke. Owned with Lowell Fisher.

• This mating was everything we had hoped for. Lots of guts, big butt, and moves like a cat. This will be one of the last ET progeny of donor, Montana, who has produced numerous high sellers for us and others. Female maker deluxe.
 • Halter broke.
 • Selling ¾ interest and full possession.

• Keayla took a trip to Durbin Creek Ranch prior to the Mohican West sale in 2023 and immediately knew that donor, 1150 was coming to Jeromesville. In the same trip she saw Birdwell New Standard at Churchill and this mating was made a few weeks after 1150 made it to Ohio. Dark red, big topped, square hipped, big nutted, and the look of a herd bull, we like the phenotypic quality of this outcross pedigreed herd bull prospect. His numerical profile is equally intriguing with breed leading maternal and carcass figures. He will no doubt make females, but the male progeny will equally as intriguing. Halter broke.
 • Selling ¾ interest and full possession.

Lot 26

FOUR (4) IVF EMBRYOS

• F21 is our chosen replacement for her donor dam Montana. A 4013 daughter was a highlight two-year old and high seller in our 2023 sale selling to North Carolina. Other daughters have been high sellers for us and are working in herds across the U.S. and Canada. This mating to the popular herd bull maker and super sire Sherman has us pumped. We planted several of this mating already and are anxiously awaiting F21's natural calf by Sherman in the spring.
 • Guaranteed one (1) pregnancy if implanted by licensed embryologist.

- Chloe 5101 is a young, April born female, but she has performed with the best of them. We think she is going to follow in her mother's footsteps and be a front pasture type cow. Her sire, 102G, has produced many females that have gone on to make names for themselves in our herd.
- Sells open.

• Princess 4015 is a moderate framed daughter of the Cattleman's Congress Champion, PCC Maverick 0183. The Maverick daughters we have in production are just awesome! We think this girl could be just like them – moderate and easy doing with fantastic udders.
 • Bred AI on 4/23/25 to KCF Bennett Monument J338, then pasture exposed from 5/1 to 7/1/25 to CSC 213 Rampage 403. Checked safe to pasture exposure.

• Whitney 5G is no stranger to the spotlight. This standout 4013 daughter was the high-selling female in the 2023 J&L Cattle Services & Guest Sale. Her influence—and that of her powerful sire—continues to leave a lasting mark on the breed. Here is your opportunity to flush Whitney 5G to the bull of your choice and build a new cow family of your own. The power, mass, udder quality, and overall impact this female possesses are simply impeccable.
 • Flush Terms: Guarantee of six (6) transferable embryos, with a cap of ten (10). Buyer and seller will split any embryos over 10. IVF or conventional flush to be conducted at Ashby Genetic in Harrisonburg, VA, at the buyer's expense. Whitney 5G is open and ready to flush as soon as payment is received.

Lot 39A FOUR (4)

- Whitney 5G was the high selling female in the J&L Sale in 2023. Offering (4) conventional embryos sired by NJB Quest For Quality 273.
- Guaranteed (1) pregnancy if implanted by licensed embryologist.

- 2302 is a high-quality direct daughter of Journey. She's a super-balanced female with a striking look from the profile and comes to you with a standout heifer calf at side sired by Longest Yard. This pair represents proven genetics with eye appeal and performance, and we believe 2302 has tremendous revenue-generating potential moving forward.
- Pasture exposed from 4/1 to 7/3/25 to 4B Garfield 1211. Checked safe in calf.
