

HEREFORDNIGHT

IN OKLAHOMA CITY

FRIDAY, JANUARY 9, 2026 | 6 P.M. | BARN 3 SALE ARENA

HEREFORDNIGHT

IN OKLAHOMA CITY

Dear Hereford Breeders,

Welcome to this year's rendition of Hereford Night in OKC! We are excited to return to Cattlemen's Congress on Friday, January 9, 2026, for another exceptional evening celebrating the best in Hereford genetics.

Each year, this sale continues to grow in strength and reputation, culminating a historic time within the cattle market and industry. We want to give a huge "thank you" to the incredible consignors and the outstanding cattle they bring forward. The Hereford Night in OKC has become a true highlight of the Cattlemen's Congress and a must-attend event for Hereford enthusiasts across the country.

The 2026 sale will once again showcase an elite lineup of bulls, females, and herd picks that represent the very best in the breed. Past sale offerings have produced sires that continue to influence Hereford programs nationwide and females that have gone on to anchor donor pens from coast to coast. Bull lots will again feature exciting opportunities for breeders to acquire half-possession or more — ideal for those seeking proven pasture sires to move their programs forward. Herd picks remain a unique and valuable chance to access genetics from some of the most respected Hereford operations in the country.

We will again be selecting additional lots from the pen and open shows, bringing even more excitement and quality to the National Hereford Sale lineup. These additions have become a hallmark of the event, adding depth and opportunity for buyers and breeders alike.

Back again is a special part of this year's event, the Commercial Cattlemen's Certified Hereford Beef (CHB) Luncheon, will be held during the Hereford pen show on Thursday, January 8, beginning at 11:00 a.m. Commercial cattlemen from across the Midwest are invited to enjoy a great steak sandwich and fellowship while viewing top-quality Hereford cattle on display.

We invite you to join us in Oklahoma City for this premier sale. Please note the sale ring will be in a new location this year, it will be Barn 3 across from the Cowboy Bar. If you can't be with us in person, the event will be broadcast live on LiveAuctions. TV, allowing you to participate and bid online.

Please don't hesitate to reach out to any of the field staff or office staff with any questions or for more information about the sale or the offering. We look forward to visiting with you and showcasing the next generation of Hereford genetics.

All the best,

Kane Kaegerter

American Hereford Association

SALE TERMS AND CONDITIONS

TERMS and CONDITIONS: The terms of the sale are cash or check payable at the close of the sale and prior to load out unless previous arrangements have been made with the owner or sale manager. Animals will be sold to the highest bidder with the auctioneer settling any disputes. Announcements at the sale by the owner, sale manager or auctioneer will take precedence over statements in the catalog. Each animal becomes the buyer's risk as soon as sold, but will be cared for by the seller until load out or for a reasonable period of time. All transactions will be in U.S. dollars.

GUARANTEE: All cattle will sell under the suggested sale terms and conditions of the American Hereford Association.

HEALTH: Health of the consignments is excellent. Individual health papers will be furnished for shipment in the United States. All animals become the property of the purchaser at the time of sale and we strongly recommend that you insure your purchases. Bulls over one year of age have been fertility tested and will guarantee semen to freeze. Bulls have been trich tested.

CHAPMAN LAND & CATTLE

8

Pick OF THE 2025 FALL ET HEIFERS

We are excited for the chance to offer the opportunity to choose from the heart of the Chapman Land & Cattle program. This set of approximately 30 ET heifers offers lots of variety and quality. The potential dams include the following donors pictured below in addition to multiple others; the sires include the following Huth Deluxe, NJW Steadfast, WF CLC Wild Card, Loewen Sandhill, SHF Houston, Bar JZ On Demand, Stellflug Gunsmoke, Churchill Sherman, C Guardian, NJW Soul and EXR Generator. Chapman Land & Cattle is a program built around the strong fundamentals of the Hereford breed with correct, sound, and a functional easy keeping type of cattle. With an offering made up of multiple high-quality females to choose from with upward trending EPDs, as well as tremendous phenotype and the genetics to back them.

Selection must be made between 6/1/26 - 8/15/26. Chapman Land & Cattle reserve the right to two (2) future flushes of a minimum of six (6) transferable embryos at the seller's expense and buyers convince.

- 10N or Sofia as she's called around the barn has been a standout since she was born. As you begin to study this female on paper and in her picture, not only will you find her in the top percentiles in MM, CW, FAT and REA, you will also appreciate her length of spine, square hip and soundness. Sofia is naturally big ribbed and deep bodied and is feminine about her head and neck. She is first year junior gentle and fancy enough to take the big stage next year in Madison at the 2026 Junior National. Once her show ring career is completed, she is destined to continue to be a great herd matron. Her pedigree is stacked with quality genetics. This granddaughter of the great Maverick bull is also backed by Mighty 49C and the great Holden bull 0011X. You will be able to view her at our stalls in the pen barn.

- 417 was the high selling added lot to the Innisfail Mature Cow Herd Dispersal, obtaining a \$74,000 valuation. No animal in the breed can match her combination of bioeconomic indices. Her growth curve is ideal, with progressive figures when it pays to weigh, while maintaining a sensible mature size. Her individual DMI data has driven her intake EPD down to a .3. Cosmetically, 417 is dark red, bold bodied, and functional in her build. She combines ample mass and dimension with tremendous balance. Both her sire and full brother to her dam (Trademark) are graduates of the NRSP, just adding to her accuracy. Ty Schultz and the Slash EV crew are incredible people with a passion for optimizing cattle to maximize profitability. We are thrilled to help them bring this exciting opportunity to the marketplace!

- Homozygous Polled
- Selling the right to one (1) IVF aspiration with a guarantee of 6 transferable embryos with no cap.

INNISFAIL FARM

Choice OF FALL ET CROP

A unique opportunity to choose from over 100 calves out of our most proven and progressive donor females! Past members of this group of cattle include 4013, Trademark and the high-seller in our 2025 Mature Cowherd Dispersal, 417, capturing a \$74,000 valuation. This will be a tremendous investment for the margin minded producer.

Selling full possession and $\frac{2}{3}$ semen interest if choice is a bull. If the choice is a female, the seller retains two (2) flushes at the seller's expense and buyer's convenience.

Matings represented:

- Innisfail 100W 839F: Calves by Stellpflug Gunsmoke 222, KJ IF 45C Confidence 609K, Innisfail Energy 4021 1837, and ECR 9170 Endure 2178

- Simply put, Wildcat Landman 5053 ET is the best bull we have ever raised. He combines power, balance, and presence with an extra look that stops you in your tracks.
- His dam, HPH 756 Lady Luck 5480J, has quickly earned her place among the elite in our donor lineup. Red-necked, goggle-eyed, perfect uddered, and beautifully designed, Lady Luck blends phenotype, performance, and maternal excellence. She earned Reserve Division honors at NAILE and Division Champion at OKC as a heifer, finishing her show career as Reserve Junior National Champion Cow-Calf Pair in 2024, cementing her legacy in our program.
- Sired by CH Premier 233 ET, the 2024 Reserve National Champion Polled bull at Cattleman's Congress, Landman merges Premier's rugged power with Lady Luck's maternal strength and structural quality. This mating has been exceptional — two full siblings commanded \$33,000 and \$17,500 at the 2025 Badger Southern Select Sale.
- Deep-bodied, stout-made, and structurally sound, Landman commands attention in both the pasture and showring. Backed by generations of proven genetics, he represents the next step forward for the Wildcat program.
- Terms available sale day

- McDonald Farm has a long history of excellence within the Hereford breed and there is no doubt this is an excellent donor. This dynamic full sister to Copper Candi is a perfect combination of elegance, power and balance she impresses from every angle. With a little resilience and persistence, we cracked the code to get this girl working and she won't disappoint. Get in early on the first calves by her to these incredible sires!

15A

- Pick of ECR Candi 031 ET's 2026 ET calf crop. Calves are due from January 1, 2026 through March 31, 2026. Matings will include calves sired by Kool Profit, High Roller and Dignified. Selection will need to be made by August 15th, 2026.

15B

- Right to one IVF flush to ECR Candi 031 ET with a guarantee of six (6) transferable embryos with no cap.

- Snyder represents generations of persistence in the K-State program to develop a breed-leading genetic profile with a powerful, high-quality look and functional build. 501 is the natural calf of a picture-perfect uddered, two-year-old Houston daughter that will serve as the next young donor for KSU, while his granddam, a flushmate sister to KSU Land Grant 153 ET, has already proven her worth in that same capacity. His sire, Bar JZ On Demand, needs no introduction. Snyder is the product of a diligent approach, led by our former herdsman Shane Werk, and embodies exactly the kind of real-world cattle Kansas State University wants to stand behind!

KSU LAND GRANT 153 ET

- Terms: Selling 3/4 interest, with full possession, and 100% of semen revenue. Kansas State University would like to retain 1/4 interest for in-herd use.
