HEREFORDS

in the yards

Dear Hereford Breeders and Enthusiasts,

Welcome to the National Western Hereford Sale "Herefords in the Yards." One of the most talked about subjects over the past four years is the excitement and optimism of the new Yards at the National Western. As the numbers of Hereford Yard cattle surges for the fourth straight year, the very best the Hereford breed has to offer will be at the National Western Stock Show. In addition, we are blessed with the new Legacy Center right next door, so the mecca within our breed will be in Denver in 2026.

For generations, the Yards at the National Western were known as THE place to merchandise and promote the best Hereford genetics found anywhere. This year, breeders from across the United States and Canada have come together to offer the most superior genetics in the breed for this once-a-year event! With over seventy head featured, there is not just one single lot, but each and every lot will appeal to multitudes of Hereford breeders looking to move their programs to new heights.

The bulls and females presented in this catalog represent some of the finest genetics available today in the entire breed. They are the type of genetics that can make an immediate impact in a lone generation in any program coast to coast. In addition to the live lots, we are offering some "pick of the herds" that represent the type of elite genetics that aren't available anywhere at any time. The revenue potential that exists in this sale offering is second to none, and the impact these genetics make in the breed will benefit for generations.

In 2025, we saw demand for the elite genetics within the Hereford breed reach levels unseen in generations. In 2026, this will continue to thrive, and the time to invest is right now.

We wish to invite you to the 2026 National Western Hereford Sale. If you are unable to make it to Denver, the sale will be broadcast on CCI.LIVE. If you have any questions about the sale offering, please contact myself, the sale consultants, or any member of the sale staff.

Welcome to the National Western... welcome to the Yards.

Bid Live: Can't make the sale? Watch it live and bid in real time on CCI.LIVE

Terms of Sale: The terms of the sale are cash or check payable at the close of the sale and prior to load out unless previous arrangements have been made with the owner or sale manager. Animals will be sold to the highest bidder with the auctioneer settling any disputes.

NATIONAL WESTERN *Hereford Sale*

1.16.26

Friday, January 16, 2026

National Western Livestock Show

Wagner Equipment Sale Arena

2:30 p.m. Sale Preview

(or immediately following Hereford Pen Show)

4:00 p.m. Sale

Announcements at the sale by the owner, sale manager or auctioneer will take precedence over statements in the catalog. Each animal becomes the buyer's risk as soon as sold but will be cared for by the seller until load out or for a reasonable period of time. All transactions will be in U.S. dollars.

Guarantee: All cattle will sell under the suggested terms and conditions of the American Hereford Association.

Health: Health of the consignments is excellent. Individual health papers will be furnished for shipment in the United States. All animals become the property of the purchaser at the time of sale, and we strongly recommend that you insure your purchases. Bulls over one year of age have been fertility tested and will guarantee semen to freeze. Bulls have been trich tested. All sale cattle are P.I. tested negative.

Insurance: Sheila Jensen 785-262-1116

Delivery: Delivery costs and arrangements of sale animals are the responsibility of the purchaser. Sale personnel, consignors, exhibitors, and various reputable trucking firms will be on hand to assist with transportation arrangements.

Performance information: All EPDs are current according to the official AHA record as of December 1st, 2025, and are subject to change.

Payment: Payment for each lot in the 2025 Herefords in the Yards Sale is to be immediately after the sale. The buyers who choose to be billed need to make payment as soon as possible after the sale. Interest will be accrued on unpaid balances starting on March 1st, 2026, at the rate of 1.5% per month, 18% annually.

Note: All persons who attend the sale do so at their own risk. Neither the National Western Livestock Show, the owner(s) nor the sale manager assume liability, legal or otherwise, for any accidents which occur.

Lot 1 TOPP HEREFORDS CHOICE OF

A lot that has become a staple to lead off this sale since it began, the choice of the cowherd from Topp Herefords has been one of the most sought-after offerings of any auction ... as it should be! No longer are you buying a pick of bred heifers, but you're buying the opportunity to select ANY cow on the ranch!

That's right, you're the buying the opportunity to make the trek to Grace City, open any gate Topp Herefords has and pick your choice of the maternal battery that is responsible for one of the top performing bull sales, of any breed, anywhere in North America. Everything from the newest bred heifers, to proven herd sire producers is on the table. Topp's maternal battery is ...

Lot 2

COLYER HEREFORDS CHOICE OF FALL 2025

When you think of the National Western, Colyer Herefords goes hand in hand. They have been perhaps the most triumphant program, dating back to the '80s with their first National Champion, L1 Pacesetter, who went on to become a foundation Herd Sire in the breed.

Without a doubt Colyer's are one of the long standing, most successful programs in the nation. When you look at the number of walking herd sires combined with the popular AI sires, the influence of the Colyer program is second to none. With the growth of their Fall Female Sale, the Colyer female has become one of the most coveted assets in the entire breed.

In what has become tradition on the grand stage in Denver, Colyer Here...

Lot 3 COYOTE RIDGE RANCH CHOICE OF 2026

Coyote Ridge Ranch has evolved into one of the preeminent programs in the Hereford breed. Look no further than their recent results right here at the National Western where they've been selected the Grand Champion Pen of Bulls 8 times, most recently in 2020, 2022 & 2024. Last year, their bull pen was Reserve Champion Pen of Three, and one of the more talked about pens in all of Denver. CRR is a three-generation family operation located on the high plains of Colorado in the shadow of the Rocky Mountains. Hampton & his family run a real-world western range program with a proven track record of calving ease, maternal efficiency and superior growth backed by 40 years of actual performance re...

Lot 4

NJW POLLED HEREFORDS CHOICE OF NEW STANDARD SPRING

With the fifth edition of this event we are extremely excited to feature perhaps one of the most exciting lots of Polled Hereford bulls in the breed program. One of the most exciting young herd sires in the breed today is walking the pastures near Sheridan, WY ... Birdwell New Standard 2912 ET. A son of possibly the breed's most highly regarded cows, 7098, as a coming four-year-old he has established himself as a breeding tool that combines and is backed by the highest values for carcass traits, fertility and udder quality. Sound in his structure, he's homozygous polled and a 13-trait leader in his EPD makeup. This past spring, New Standard's first sons were the top 5 selling ...

Lot 5 HOLDEN HEREFORDS CHOICE OF

For generations upon generations, the foundation of the Hereford breed is built upon the maternal greatness of the Line One cow. Since Les Holden bought his first bull in 1947, the Line One cowherd in Valier has been line bred and developed with emphasis on maintaining moderate birth weights while adding performance, milk, thickness, carcass strength and predictability. With an average in breeding co-efficient of about 25%, the outcross potential in these genetics is the equivalent of cross breeding between breeds. When using a Holden bred animal, you take advantage of generation upon generation of top-quality genetics with balanced trait selection that maximizes revenue potential.

Now, Jac...

[Lot 6] JDH AH GUNSLINGER 40N ET

Reg.: 44668495 | Calved: 01/24/2025 | Tattoo: 40N | Polled

CE	BW	WW	YW	DMI	SC	SCF	MM	M&G	MCE
1.2	2.8	81	131	0.5	1.5	22.1	30	71	0.2

124	1.50	1.60	111	0.034	0.99	0.23	502	609	186

We are coming to the Mile High City with our guns blazing! Gunslinger's pedigree is packed with the best bulls and females from our program in recent years. Cows like: 45C, dam of herd bulls; 19Z, mother of donors and herd bulls across the country; and 8032, dam of Final Print. Plus sires that are leaving their mark on the breed: Benton, Lincoln and 33Z. Combine that with the fact that his sire is one of the hottest young bulls in the country and Gunslinger offers you the latest genetics, backed by generations of proven, working cattle and great uddered females.

Gunslinger is Homozygous Polled and one of the highest performing bulls we have ever raised with a 205-day weight of 868 lbs. He is soft made, deep sided, with an excellent set to his feet and legs plus great thickness. Top that off with a set of EPDs that combine acceptable BW with growth in the top 1% of the breed and 10 traits in the top 6% of the breed.

His mother, 125L, topped our fall 2023 sale as a heifer calf with 1/2 interest going to Ollerich Brothers Herefords. She not only gave us an outstanding set of ET calves, but as a 2-year-old she raised her natural calf with a BW ratio of 96 and a WW ratio of 108. Like other Lincoln daughters, she has a beautiful udder and she may well be the next cornerstone donor of our program. With all of the great producing, great uddered females in his pedigree, Gunslinger should leave a great set of females plus have the ability to sire bulls with power and agility. We think the sky is the limit for Gunslinger and we look forward to using him in our program.

We are offering 1/2 interest and full possession in Gunslinger. We will retain full 1/2 revenue sharing semen interest.

For the first time Boyd, Jeff and the crew at Dvorak Herefords are bringing a carload to the National Western and are offering their lead bull in this sale. Dvorak has developed and become regarded as one of the top cowherds in the country, and with their acquisition of great walking sires such as Final Print, Land Grant, Lincoln and Expedition they've developed into one of the most progressive herds anywhere. This fall born herd sire prospect represents the next in line of maternal prospects backed by a tremendous cowherd. Backed by the one of the all-time legend cows, 19Z, Lincoln sons have seen some of the highest demand the past two years. With the limited number of Lincoln sons available in the country, this is one of the best opportunities to acquire one.

His Expedition dam was a performance powerhouse that individually ratioed 125 for WW, 114 for YW, 130 for REA and 114 for IMF. Unfortunately, she passed as a two-year-old, but luckily Boyd flushed her as a yearling so her genetics can still make a big impact on the Dvorak program. Last year at this sale, a maternal sister to Lin 4013M brought \$23,000 for half interest.

Lin 4013M offers a set of curve bending EPDs for growth and maternal traits around a calving ease in the top third of the breed. He ranks in the top 1% of the entire breed for UDDR, TEAT and MG and the top 3% for WW and YW. All told, he has 8 traits ranking in the top 10%. Of the 144 Lincoln sons on record, Lin 4013M ranks #3 with his combination of CE, WW and YW.

Herd sire prospects with this much growth and maternal in addition to good calving ease aren't easy to find in the country. Add into that a proven, data driven cowherd behind him and the task becomes near impossible. You'll find that very thing at the front end of the Dvorak Carload of Bulls at the National Western!

[Lot 8]

OCC CHIEF 501

Reg.: 44698383 | Calved: 02/02/2025 | Tattoo: 501 | Horned

CE	BW	WW	YW	DMI	SC	SCF	MM	M&G	MCE

From the Eastern front in South Dakota, Ollerich Cattle Co. is making their first ever appearance in this event with a big-time herd sire prospect! Chief is the type of bull that will leave his mark on this breed, siring some of the fanciest, most stylish show heifers with power and muscle. His sons will also add growth, power and muscle.

Chief is a product of some of the most royal pedigrees you'll find anywhere. His sire, Copper Candi, was the 2022 Reserve Champion Horned Bull here at the National Western. From there he has sired many high selling daughters and sons for Fawcett and Cane Creek Cattle Co. His dam, Candi 5451, has been a proven matriarch in this breed, as a former Reserve National Champion herself here at Denver, as well as winning JNHE.

Ryan purchased Chief's dam as a baby from Fawcett's with the plan to breed show heifers for his daughter. His dam is a daughter of one of the most proven maternal producers in the breed, JCS Tater Tot 3560. She herself was Grand Champion Horned Female at the NWSS, and from there she's gone on to produce daughters that have their way to the backdrop at National shows across the land ... most recently a division winning daughter at the 2025 Cattleman's Congress. Perhaps Tater Tot's most decorated daughter is a full sister to Chief's dam, MCKY

Monroe 8688 ET. She was the Grand Champion Horned Female in 2020 at Fort Worth Stock Show in addition to winning the Junior show at the National Western that same year and has gone on to be a tremendous revenue generating female in her own right.

Chief brings extra muscle and shape, and to quote Ryan, "extra rib depth with more curve than J. Lo!" He's got a perfect back leg, soft haired and has a puppy dog disposition. In the business of breeding and raising show heifers, everyone is on the lookout for that next great one. He will be standing in the Yards this year at the National Western. Look for him in Fawcett's stalls.

For the first time, the boys from Glenham are bringing a Carload to the NWSS! One thing that always stands out from Cane Creek is the continued impact the foundation donors like the "Mother of Herd Bulls", 45C and Mercedes, continues to make. These cows continue their impact on this breed, as last year's \$31,000 pick of the CCCC pen was a 45C son, CCCC Chisum, that sold to Canada.

This year's Carload features the first three sons of their newest donor, CCCC Katie 258K ET. She is a full sister to EXR Generator 0333, and half interest in her sold in 2023 to Bowling Ranch. She is poised to take 45C's place as the most impactful cow at Cane Creek. Study your lesson, examine the data on this Carload as it will be one of the highlights of the entire National Western.

CHAPMAN LAND & CATTLE Choice of Pen of Herd

Chapman Land & Cattle is making their return to the Pen Bull show at the National Western, and they've brought an elite set of curve-bending, strong-aged bulls that will move the needle in almost any operation. The last time they had pen of bulls, they took home the honor of Reserve Champion Pen of 3 Bulls in 2024. First up in the pen is the Deluxe son, 333M. He potentially represents the very first Deluxe bull to sell in the U.S. following the tremendous splash made in 2024 of Deluxe semen sales. This Homozygous Polled bull offers elite calving ease, ranking in the top 5% of the breed, along with massive growth with both his WW and YW ranking in the top 1%. Coupled with that, his UDDR an...

Lot 11 HARVIE RANCHING Choice of Pen of Herd

In recent years, Jill, Cole and the crew from Central Alberta have left their mark on the National Western, exhibiting some of the very best bulls you'll find anywhere in North America. Fresh on the heels of their 2025 Grand Champion Carload of Bulls, which was a follow up to their 2024 Reserve Champion Carload, the Harvie clan have offered a different twist in 2026, bringing a Pen of Three of their very best.

The first three herd sire prospects are their first sired by their newest herd bull from NJW, Daybreak 163K. He is a son of the renowned matriarch, 73S, and offers exceptional calving ease without sacrificing growth and performance. Their dam is potentially the most productive fema...

Lot 12 HOFFMAN RANCH Choice of Pen of Herd

After three years of exhibiting pen cattle at the National Western, Haxton Hoffman has established himself as one of the brightest next generation of cattlemen in our industry. Without question, this year's Pen of Bulls are some of the most exciting set of genetics he's produced. This set of ET brothers is out of one of the youngest donors walking the Sandhills, Churchill Eve 3320L. Upon completion of her show career, winning her division at JNHE, she started her donor career with a bang. A full sister to these herd sire prospects was a high seller this past October, selling for \$30,000 at Hoffman Ranch's Female Sale. Eve is a continuation of the great Ladysport 2205 maternal line, as...

LANDGREN RANCH Choice of Carload of Herd

One thing can be depended upon during the National Western ... the crew from Landgren Ranch will have one of the best set of bulls of any breed in the Yards! In recent years, no other program has achieved the heights this crew has: 2025 Reserve Carload of Bulls, 2024 Grand Champion Carload of Bulls, 2023 Grand Champion Carload of Bulls. Following that, selections from their Carload has been one of the highlights of this sale, with herd sire prospects selling to some of the top programs in the nation. The following bulls represent many young prospects centered around their Foundation donor female, and the dam of past National Champion Slinger, UPS Miss Final Test 9103. Between direct daughter...

Lot 14 PERKS RANCH Choice of Pen of Herd

This pick of bulls is very intriguing. All four are natural calves out of some of the most prolific cows in the Perks Ranch program and sired by some of the most popular bulls in the breed. Without a doubt, these bulls are all extremely good, but each brings a little something different to the table. First up, 5032, a son of Kool Profit, out of a red eyed Cadillac daughter with near perfect teat and udder. "Fast Cash" is good looking, powerful, and pigmented, possessing a balanced set of numbers. His length of front third and up-headedness should add style to anyone's herd. Actual BW 85 lbs. 5039 is an On Demand out of a Red Kingdom that was purchased from GKB and was shown successfu...

In 2024 at the Hereford Eve in OKC sale, semen on Huth CLC WF Deluxe K016 was the talk of the auction when total semen sales equaled \$65,000. From there, demand for his semen has continued to thrive as he's become one of the most sought-after breeding tools with 15 traits in the top 10% of the breed, including 7 traits in the top 1%! Now, John Thomas is presenting an opportunity to acquire one of the very first Deluxe daughters to enter production with this great bred heifer.

Let's start with her dam, Lana 76E was the donor dam of the set of ET brothers that comprised the 2024 Reserve Champion Pen of Bulls at the National Western. Her progeny have been the most sought after in Chapman's bull and female sales. A tremendous producer, she's posted progeny ratios of 12@99.8 for BW, 12@101 for WW, 7@103 for YW, 9@103 for REA and 9@98.8 for IMF.

326M's number profile allows for unending possibilities for mating decisions. She ranks in the top 1% of the breed for WW and YW; top 2% for MG, UDDR and CW; top 4% for TEAT and top 18% for REA. Her three indexes place her in the top third of the breed, as does her calving ease.

Bred AI on 11/28/25 to one of the hottest bulls in the breed, SHF Legion H315 L060, who was the \$58,000 pick from Sandhill's sale to Colyer Herefords, King Ranch & GKB Cattle. Will be pasture exposed to CLC Final Testament 24 223L ET, a sire co-owned with Stellpflug that offers curve bending numbers and an 11.7 CE.

This great combination of Deluxe and Lana is a can't miss donor prospect in a great bred heifer package.

We are fortunate to welcome Buck Cattle Co. for the first time to this event with an outstanding open heifer. Night Lights 590N is a March born prospect that is poised to be a standout in that division. Stemming from the legendary dam of 11 National Champions, including this past JNHE Grand Champion Horned Female, 1218 progeny have dominated every major back drop from coast to coast, including her daughter BK Distinctive Points 641D.

641D has continued her dam's tradition, producing multiple National Champions, most recently the 2025 Grand Champion Polled Female in Fort Worth and the Reserve Champion Polled Female in 2025 here at the National Western in the Junior show. In 2023 another daughter, BK CMCC Jungle Cat 149J, was selected the Grand Champion Polled Female at both the Cattleman's Congress and Fort Worth Stock Show, which she two-holed with her maternal sister as Reserve. In addition to the show ring, her progeny continue to be among the high sellers for Jiri, most recently with a half-sister commanding \$63,000 in the Fall Premier XXXI Sale. Night Lights' sire was named the Reserve Champion Horned Bull last year here at the National Western, and is already being heralded in his ability to sire outstanding daughters. Night Lights is among the very first daughters to acquire anywhere on this great sire.

Between her phenotypic makeup, highly proven and marketable pedigree and balanced EPDs, BK CMCC Night Lights 590N ET possesses tremendous revenue potential once her halter career is over. The next great one awaits you at the National Western!

BRAMSCHREIBER HEREFORD FARM Choice of

As their second time with an entry in this sale, and making the trip from the Upper Peninsula, Paul made the **For** three maternal prospects that'll make a big-time impact in almost any program. They are sired by the 2024 Grand Champion Polled Bull at the Western States Hereford Show, Stelloplug Gunsmoke 222 ET. Gunsmoke has been one of the most talked about young sires the past two years, when you lay eyes on this set of half-sisters you will see why. Fancy and maternal in their makeup, they possess a curve-bending set of numbers allowing their mating decisions to be nearly open ended. All three possess exceptional growth, breed leading carcass, along with balanced calving ease number...

DELANEY HEREFORDS/ATKINS RANCH Choice of

Year in and out, the cornerstone of the Hereford Sale at the National Western is the pick of the ~~Pen~~ Atkins Pen of Heifers. Jerry and Pete's 2026 Denver pen represents possibly the most elite maternal prospects to date. Backed by the foundation 19Z cow family, this set of females possesses the makeup and all the pieces to become core donors in any program coast to coast. Leading off this pen is 13N, Homozygous Polled and freckle faced, she is one of the stoutest, deepest bodied Final Print heifers they have ever raised. You will not find many negative BW females made this stout and powerful. Her dam, 18J, is one of their all-time favorites and was Hoffman Ranch's Pick of the Pen i...

Lot 20 ERNST HEREFORDS Choice of Pen

This pen of heifers from Kevin and Courtney Ernst is proof that great cattle don't have to come from far away. This pen of 1/2 and 3/4 sisters are sired by the Ernst family's selection from the 2024 edition of this sale, a powerful Endure son that is out of none other than the "Mother of Herd Bulls," 45C!
 First up in this pen is a Homozygous Polled female that offers the largest spread from calving ease to growth in the pen. In addition, she ranks in the top 3% of the breed for MARB, top 1% for BMI and top 1% for CHB. The second heifer is the calving ease option in the pen, with a CE figure ranking in the top 2% of the breed while remaining near breed average for her growth numbers...

Lot 21 GENOA LIVESTOCK Choice of Pen

Making their return to the National Western, Genoa Livestock's Pen of Three Females represents the very best to walk in Carson Valley, NV. This will be their third pen at the National Western, and their first two entries were among the top sellers in the sale. This year's pen is centered around the most impactful female ever to walk at Genoa's ... 5047.

First up is a Vista daughter that is out of the newest donor for Genoa, 22150. This 5047 daughter is positioned as the replacement for her dam going forward and is already off to a great start with her first calf being among the high sellers in this past fall's bull sale. A daughter of the maternal powerhouse Key West, 22150, was a m...

Lot 22 GLM HEREFORDS Choice of Pen

In visiting with Grant four years ago when this sale began, we told him this event will be based around "cow prospects." One of the most dependable things year in and out was that the heifer pen from GLM Herefords will feature females with one goal in mind ... go out and make tremendous cows/donors for their new owners. Perhaps one of my favorite things about the GLM pen year in and out is that none of these heifers are ET females. Simply put, they are the best females out of Grant, Linda and Bailey's best cows.

Leading off the pen this year is a daughter of Bullnanza, who was the first in a lineup of great sons of the immortal 7098 cow from Birdwell/Churchill. 7098 influenced female...

Lot 23 KOLT CATTLE CO. Choice of Pen

Each and every year, Nate Kotlerman is known for raising and bringing some of the very best females to the National Western, and this pen of May heifers is no exception. In a division that's wide open, this pen of heifers from KOLT is destined for the backdrop this summer show season. High Roller was the 2019 Reserve Champion Polled Bull at Fort Worth and following his shown career he has gone on to potentially be the #1 sire in the breed for producing show heifers. Over the past several years, High Roller progeny have dominated both national shows, as well as regional shows. The dam of these ET sisters is out of the world-famous Strawberry Wine that was the 2014 Reserve Grand Champion P...

STICKS & STONES RANCH Choice of Pens of

Making the short trip from Cheyenne is a top-quality set of cow prospects from Sticks & Stones Ranch. Gene Heifers NATIONAL WESTERN Hereford Sale JAN. 16, 2020

16, 2020 HEREFORDS in the
 We're six months out and still talking about these girls ... but the biggest thing to note is there isn't a hole anywhere. Five Shermans, one Big Jake and a set of numbers that are complete, balanced, and in the upper reaches of the breed. Study this set of cow prospects in the Yards ... they are the type that will help rebuild the cowherd in America.

STOREY HEREFORD RANCH Choice of Pen

Each year, Storey Hereford Ranch brings a pen of females from the Big Sky Country that is the talk of Denver. Katelyn, Chuck and the family's pen is always the perfect blend of style, eye appeal and pedigree. The four heifers this year with the first Reign Makers to feature in this event, and an Arlo daughter.

• Let. It. Reign. This Reign Maker daughter is by far one of the most incredible specimens to walk the pastures of Storey Hereford Ranch. She is stunning. It is extremely hard to find one with this much growth potential, rib shape, and flexibility, and has the length of spine that goes on for days. She is marked right, polled, and boy has she turned some heads. We are proud to introduce this one to the world.

• Just like that, C Reign Maker 3210 ET strikes again. This horned Reign Maker female is as cool as it gets. Not only does she have such an incredible shape to her center body, this heifer is long bodied, sound as a cat, and has the neatest front end to pair with it all. Additionally, this female is ranked in the top 10% of the breed in over 8 categories. With a birthweight EPD of 1.5, a BMI of 529 and BII of 600, this girl just cannot miss.

• How in the world does one "lot order" four different heifers that are all extraordinary in their own ways? This Arlo daughter may land in the Lot C position but make no mistake — do not gloss over her, or you will regret it. Woolly, sound, powerful, and elegant are the four words that should define this dark cherry, heavy-pigmented lady. She's one of the most intriguing Arlo females we have had the privilege to offer, an elite combination of show ring look, with real cow power. With an impressive 182 CHB EPD and standout maternal traits, it is simply hard to make one like this.

• The "Queen Bee," is how we refer to this striking female. Marked as a queen should be, this polled FULL sib to Lot B is most certainly special and something to be very excited about. Long, dark cherry red, and just easy to look at, this sweetheart of a female makes me very excited to share this Pick of Pen with you. Every single one of these females absolutely slays, it's just up to you to pick your favorite, and goodness, that is no easy task!
