• Homozygous Polled!

• Short marked and fully pigmented

• Eagle was the \$35,000 high selling bull of the December 2021 KCF Bull Sale.

• Eagle posted a 98 BWR, 128 WWR, 116 YWR, 110 IMF and 120 RE in an extremely competitive contemporary group.

• His Dam of Distinction mother is a stellar producer with 6 calves

@ 114 WWR, 5 @ 107 YWR, 2 @ 104 IMF and 2 @ 121 RE.

• Eagle is an incredibly unique, proven sire with 231 progeny @ 99 BWR,

188 @ 103 WWR, 94 @ 103 YWR and 40 @ 111 IMF. He consistently delivers

calving ease, explosive growth, big testicles, short markings and

excellent structure. His first daughters in production are outstanding

with beautiful udders.

 — Homozygous Polled
 — Oshoto is a Power Bull that's flawless in his build, soft, flexible, free moving and balanced. He catches you with his body mass, bone and foot shape, and further appeases with his pigment, red cape and hooded eye. He profiles like a champ; long spined with a big square hip, and shape from every angle with a powerful stifle, huge barrel, and a flank that ties deep into his hock. An easy doing, free moving, masculine, big scrotaled bull that's extra docile. He's a natural calf out of a phenomenal dam, who's a proven Herd Bull producer and mother of Herd Bull producers. Oshoto's pedigree is as solid as they come, and an outcross for most. We believe this brute has a wealth of good to offer on a grand scale!
 — 2025 Canadian National Champion Bull and Top 10 Supreme Finalist at Agribition, Eastern Canadian National Champion Bull and Supreme Hereford at Toronto Royal and Top 5 Beef Supreme Finalist.
 — Progeny reports from breeders across North America claim Oshoto sires the best calves they've had in years!
 — Sexed Female Semen Sells March 11th on SmartAuctions

- Horned
- Our excitement for a calving ease combo of this caliber is hard to contain!
- Hooligan is deep, sound and smooth made, a calving ease bull with all the benefits of L1 performance, plus an intriguing pedigree packed with maternal power.
- A maternal brother to Oshoto, who's balanced on paper and in the flesh.
- Lots of great call reports, his calves come easy, then pop up and grow and look good doing it!
- Owned with: Morrell Ranches, Willows, CA 530-218-5507

- Scurred
- He's long, he's attractive and he's got BIG SPREAD!
- Hootenanny calves come easy with tons of vigor and big-time performance, consistently producing top end progeny. He adds body length and weight while pumping his strong maternal line into his daughters and producing masculine bulls as well. A profitable combo for your program and bottom line.
- Dam is maternal sister to Oshoto and Bolder
- Owned with: Pelton Polled Herefords, ND 701-260-0058

Semen: \$75/Unit, 10 unit minimum, \$100/certificate. Call Brumley Farms for details

- Top 10% or better in 8 traits including WW, YW, UDDR, TEAT, CW, REA, MARB, & CHB
- Gunsmoke is unmatched in his ability to combine phenomenal phenotype and incredible genotype. His dam, 90H, is the maternal powerhouse from the NJW program that demanded \$60,000 as a yearling heifer.
- His sire, Benton, is the carcass sire adding extra look, length and pounds.
- It isn't often you can find a bull of this quality that brings BOTH carcass merit and maternal strength to the table.
- If you're looking to put BALANCE in your herd, look no further!
- The calf reports have been impressive!

 — 2025 Western States National Hereford Show Reserve Champion Bull
 — Tremendous eye appeal, sound structured with lots of bone and foot, great muscle shape, width of top and a powerful square hip.
 — Heavily pigmented
 — Out of a first calf heifer.
 — Strong maternal heritage, stems from multiple generations of donors.
 — Sire, Double Down, was the \$79,000 high selling bull at RSK Farms.
 His sons and daughters are among the best here at Wooden Shoe.
 — Will sire ultra-attractive progeny that excel in look and power.

 — We couldn't be more excited about utilizing Rio. He does so many things right. Great pigmentation, a large scrotum, and tremendous natural muscle and shape. The easy-natured and easy-fleshing bull is hard not to enjoy being around and analyzing. His dam, 'Diosa', is an elite donor in the Las Anitas herd, with her genetics being sought after internationally. A great outcross sire with exceptional feed efficiency, we highly anticipate the arrival of his first calf crop.

 A Uruguayan embryo outcross opportunity, El Torro was purchased at Agribition in 2025 by El Regladero & Puerto de Nieto, Mexico. His overall muscle shape, length, and excellent foot quality make him hard to miss. His dam 'Violeta' and her progeny continue to be at the top of the Las Anitas herd. She was Kurt & Shannon's favorite female in Uruguay in 2018, and her daughters were favorites this past spring when we returned to visit the ranch. The sire, 'Cascarilla' is a long body meat machine tipping the scales and boasting an outstanding EPD profile. To say we are excited for his future is an understatement. Don't miss this outcross opportunity backed by maternal excellence.

 • GOLD RUSH excels at every task our customers ask him to perform, making him Select Sires' highest-selling Hereford for good reason!
 • Proven to deliver, GOLD RUSH transmits to both daughters and sons. His daughters in production are standouts and his value in commercial and purebred herds continues to grow.
 • Gain long-lived females and high carcass merit. GOLD RUSH has mastered both!
 • As he adds more data, GOLD RUSH continues to rank in the top 1% of the breed for every profit index, for CW and Marbling. He's has quality and pounds covered too!

 — L35 is a Benton 8G son out of an Endure daughter that was purchased from Upstream Ranch.
 — L35 is as flawless in his design and as complete as any bull that you will find, big footed, thick and lots of middle.
 — This bull is impressive from every angle and will add the look that Hereford breeders desire.

Semen: \$50/Straw; \$75/Certificate; Sexed Female semen available, contact owners.
 — Homozygous Polled
 — Recommended for use on heifers
 — Superior elite genetics. We strive to produce cattle with elite phenotype, genotype and EPD profiles like we have here. We were mindful of making this mating to raise bulls like Full Circle to be able to offer outcross genetics to the purebred breeder. Heavily used in the *AV* program as he gives such a diverse pedigree to us in a unique phenotypic aspect.
 — Full Circle 3511 is enrolled in the NRSP program at Olsen Ranches in Nebraska.
 — Ranks in the top 10% for 8 traits and top 5% for all three indexes
 — Thank you to everyone who purchased semen last year. The calf reports are outstanding!

 — Short gestation, calves come early and hit the ground running with tons of growth!
 — Top 3% for YW, SC, MILK, MG, and REA. Top 10% for CE, WW, and CHBI
 — Deep Creeks first calf crop was tremendous, loads of eye appeal and marked right. The bulls are stout, thick, long and smooth made. Females have real brood cow looks to them.
 — He is backed by three of the best cows we have ever raised
 — 16 sons and a few good daughters sell April 6, 2026

Semen: \$50/Straw; \$100/Certificate
 — We are excited to announce that one of the most talked about calves of 2025, Fireball is producing semen and is ready to go! An unfortunate injury at the bull stud prevented him from being shown this fall. But have no doubt, he's still the stud he was back then!
 — I still have yet to raise or see a calf that is built as dense or deep sided as Fireball while carrying all the right cosmetics and a very progressive EPD profile.
 — During his show career, he led off the Reserve National Champion Pen of 3 in Oklahoma City, was Reserve Spring Calf Champion at Congress and Fort Worth, and Champion Spring Calf in Denver. But make no mistake, Fireball is not just a show bull. He was created with the beef industry in mind. If you're serious about the cattle business, this is the bull that can do it in all facets.

- Sold for \$210,000 in the Churchill dispersal to GKB Cattle!
- First calves arriving now and look very good, just like Stampede
- His dam, 219K, the queen bee, sold for \$200,000 and is widely regarded as one of the best Hereford cows.
- Moderate birth, fast growth, high udder scores, very high marbling
- Stampede will produce those high-performance powerful bulls that are ideal for use on black cows!
- Stampede is a power-bull with very good function
- Homozygous polled

 HOMOZYGOUS POLLED and Hereford 13 trait leader
 — A unique breeding tool that combines and is backed by the highest values for carcass traits, fertility and udder quality. Very sound in his structure and make-up.
 — Has had incredible calf crops here at NJW with heifers and bulls being of equal quality! Sons are real beef bulls...stout, thick and efficient. Daughters have the look and makings of beautiful, big bodied brood cows. First in production are exciting! Check our Facebook for photos!
 — Sired both high selling bull and heifer in the NJW spring sale
 — Sire of 2025 NILE Reserve Champion Bull and 2026 Denver Reserve Champion Junior Yearling Bull
 — Entered in NRSP Program at Olson Ranch — Steers look excellent as they are near end of test!
 — Act BW on 2912: 77 lb., Avg BW on NJW calf crops 79 lb. (includes ET and naturals out of cows and 2-year-olds)

 HOMOZYGOUS POLLED
 — Act. BW 86 lb.; Adj. WW 735 lb.; Adj. YW 1,322 lb.; Adj. Scrotal 41 cm
 — Ranchware has the Power, The Presence, The Pedigree and the Credentials to add value to many programs. He is such a "wide body" with extra muscle, depth, rib shape and top. He reminds us of Homegrown 8Y who did such a great job adding all of the above to cows that needed more of it. Dam, 202C, is at the top here, right with her dam, 160Z, and granddam, 73S. When you add 7098 you have unmatched cow power and herd bull producing quality!
 — He was the high selling bull in the 2025 NJW Spring Bull Sale. A full sister was the high selling female in the same sale and their sister was "Pick of the 2024 NJW Heifer Calves"! Two more full sisters are top-end bred heifers here at NJW.

- We are excited about our purchase of this up-and-coming herd sire! He is great looking with top of the breed carcass and the fabulous 7098 cow as his mother!
- Full Count potentially represents Dale's pinnacle of the great progeny he's produced with 7098. His phenotypic makeup is excellent, he's dark red and short marked and possesses outstanding maternal qualities. On top of that, he is the #1 bull in the entire breed with his combination of CE, WW and MARB.
- As an added bonus, his combination of BMI\$ and CHB\$ indexes rank him as the #5 non-parent bull.
- The game has changed, and Full Count is poised to be one of the most relevant, revenue generating herd sires to come along in the breed. The marketability of his progeny are limitless, as they will represent what the beef industry demands of Hereford cattle in 2025 and beyond.

- Homozygous Polled!
- Elite Phenotype & Performance: Likely the best Impact son brought to market to date, featuring an incredibly deep-bodied, long, and deep-muscled pattern with a strong, masculine look.
- The Power of 328F: His dam, 328F, is regarded as one of the best-udderred calf raisers ever bred in the Jensen program; a maternal powerhouse that continues to prove her value in the Pierce program in Wisconsin.
- Proven Mating: This specific mating produced the top-selling bred heifer in the Chosen Sale, along with multiple sale highlights throughout 2023 and 2024.
- Calf Quality: High-impact calves that are consistently stout and vigorous at birth.
- Data Driven: A Denver Pen highlight with impressive carcass merit, boasting an adjusted REA of 14.01 and a REA ratio of 101.
- Exceptional Growth: Performance-backed figures including an adjusted weaning weight of 774 lbs and an adjusted yearling weight of 1,166 lbs.

Semen: \$50/straw; \$100/certificate; call on special pricing for 20 or more straws. Canadian and sexed semen available. Contact owners.

- Top 6% BW; Top 2% SCF; Top 3% MCE; Top 2% UDDR; Top 4% TEAT; Top 3% CWT; Top 1% REA; Top 1% MARB; Top 1% BMIS; Top 1% BII; Top 1% CHB
- He only has one flaw — his short ears due to extremely cold weather at birth, hence his name Jack Frost. Powerful, well balanced, attractive, easy fleshing, and great structured. His dam is the super cow, 7098. Jack Frost reminds us so much of his maternal brother, New Standard, but with even more eye appeal. His numbers indicate calving ease with incredible maternal values including udder quality. His carcass is as good as it gets with top 1% RE & Marb. Bulls this good are very rare!
- HEIFER SAFE. Calves are moderate and vigorous, with a lot of look and structural correctness.

— 2024 Cattleman's Congress Reserve Champion Polled Hereford Bull
 — His dam, BK Distinctive Points 641D ET, needs no introduction as she has stamped out numerous national champions for Buck Cattle Co. Not to mention she is a direct daughter of the great HAPP Kool Aid Points cow.
 — He is elite in his look and presence and will demand the attention of many when hitting the ring as well as when selecting sires for AI.
 — This sire's skeleton and build is phenomenal when wanting to make elite functional females and powerful herd bulls.

110	1.40	1.40	107	0.064	0.97	0.36	505	624	184

Washington is a Homozygous Polled bull combining breed-leading growth, carcass merit, and maternal strength in a deep-bodied, athletic and eye-appealing design. Ranks in the top 10% of 13 traits in the Hereford database, including top 1% WW, YW, MG, MCE, and CW.
 Proven in real-world conditions with outstanding performance ratios:

- Washington's Ratios: BW 93%, WW 115%, YW 111%, REA 114%, Marb 144%, 41cm SC
- Dam's record: 5 calves at 98.6% BW, 4 calves at 113.8% WW, 2 calves at 107.5% YW, 2 calves at 107% REA, 2 calves at 119.5% Marb

Backed by generations of consistently high-performing, productive females
 Combines elite EPDs, breed-leading ratios, and structural quality in one balanced package

Washington will add pounds, carcass premiums, and maternal value to registered or commercial herds without sacrificing any trait.

One of the most balanced EPD profiles in the breed - search CE, WW and MM, or any combination of his numbers, and he rises to the top.

His first calves are proving it early - moderate, correctly built, high-growth calves with added pigment.

Semen: \$50/Straw; \$75/Certificate; Volume discounts available

— One of only three horned bulls in the entire breed with his combination of CED, BW, YW, MARB and CHBS. 2116K sold for \$100,000 in Holden's 2023 Sale.

— 2116K is a trait leader for CED, BW, SC, Milk, MCW, CW, MARB and CHBS and ranks in the top 3% on BW, Mature Cow Weight, and MARB EPDs.

— He sires moderate framed, easy fleshing progeny with extra pigment, rib shape, muscle, and eye appeal. Calves are extremely vigorous at birth and very well made.

— His dam is a very moderate framed cow with exceptional capacity and fleshing ability. She is a top donor and 3 sons have sold for an average of \$59,000.

— Here is a bull that will sire progeny that will excel in the pasture, feedlot, and on the rail, and daughters that are functional, fertile, easy fleshing, and highly productive.

All the makings of a breed changer!
 On Demand's first calf crop is already generating excitement across the industry.
 Combining outstanding phenotype with unmatched power and curve bending EPDs,
 he represents the future of the breed without sacrificing real world practicality.

The ultimate baldy maker and maternal powerhouse.
 Richmond offers a dynamite genetic package with next level index power, ranking in the top 1% for Teat, Udder and \$BMI. He's also backed by two of the breed's most prolific and influential females.
