Air Travel:

Both Lexington and Cincinnati are served by most major airlines.
We are approximately 70 minutes from either airport.

We are also served by the Mason-Fleming Airport 10 miles from the farm.

From Cincinnati, take 275 to Kentucky, exit onto Hwy. 9 (AA) to Maysville.

Terms: Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any dispute as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

Guarantee: All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

Liability: Each animal will be at the purchaser's risk immediately after the animal is sold. They will be fed and cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk. Cattle must be paid for before they leave the farm. All persons who attend the sale do so at their own risk. Boyd Beef Cattle assumes no liability, legal or otherwise, for any accidents that may occur.

Announcements: Sale day announcements take precedence over printed matter in the book. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

Heifer sexed semen: When sexed semen is used, a heifer calf results 95% of the time.

Health: Every female born at Boyd Beef Cattle has been calfhood vaccinated for Brucellosis. In addition, each female is vaccinated annually, after calving and prior to breeding with IBR, BVD, P13, 4-way Lepto and Vibrio. They are wormed and poured for grubs each fall. All calves are vaccinated for Blackleg, Pasturella and Malignant Edema. All cattle selling will have interstate health charts required for shipping into other sections of the United States.

Registration Certificates: Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves.

AI Certificates: There will not be any certificates provided on bulls not owned by the seller for females selling bred AI.

Bids: If you would like to place a bid on any lot but will not be able to be with us, we would be happy to handle mail or phone bids for you. Please direct to the owner, auctioneer or any of the sale staff.

Sale Location Directions:

Sale will be held at the Boyd Beef Cattle sale facility. ½ mile south of Mays Lick on U.S. Hwy. 68. Mays Lick is located approximately one hour and fifteen minutes north of Lexington, Ky. or one hour and fifteen minutes southeast of Cincinnati, Ohio.

Fellow Hereford Breeders,

It is always a pleasure to welcome you to Mays Lick, Kentucky for the "Breeder's Cup" sale. All involved thank those from past sales who have invested their time, energy and finances so that this continues to be a major breed event. We look forward to seeing all of you whether it is your first time here or one who comes regularly.

Most of us can't remember a better time to be in the beef cattle business. Due to short supply and a strong demand for our product the cow/calf producer will have several years of prosperity. The time is now to improve, expand and utilize all tools available for increased quality as that is where the greatest premium lies. The cattle and frozen genetics offered in this event have been created using these genetic tools along with practical nutrition and management practices.

Buy with confidence as all live lots selling have GE-EPDs and mainstream pedigrees. We are excited to offer so many individuals sired by or bred to proven, popular breed leading A.I. sires.

We appreciate the Boyd family for hosting this event and thank them for all the extra work involved in preparation for a sale. You will not find a more comfortable venue than their sale facility. Again, this year we are having a 5 p.m. sale with dinner and entertainment following.

For those staying over on Saturday evening please consider Blue Licks State Park for your choice of Lodging. The lodge comes with a full-service restaurant, gift shop and there is a pool available. Several breeders have stayed there in past years and always go back. The park is located ten miles south of Boyd Beef Cattle on the same highway.

Please join us on Saturday, September 5th as we evaluate this superior set of purebred Hereford cattle. Thanks to all the consignors for sharing the top end of your herds.

Respectfully,

Dale Stith

- Future donor cow deluxe!
- We have only offered a handful of daughters out of MERCEDES 228G. 228G has made a name for herself in the industry by producing top-notch females- just like this PROUD 35L daughter.
- If you are looking for a potential top show heifer or wanting a future donor, we think this one could do both.
- She is stout hiped, long-bodied, and has the feet and leg structure to not only complete, but support a long-lasting life in the pasture.

- We offered an incredible two-year-old that was a direct daughter of the legendary 45C cow at The Rocking In The South Sale just this past spring and what a splash she made. Now here's your chance at another!
- This four-year-old Entice is a true power cow that hasn't missed.
- Look in on this Union bull calf we are retaining at her side, there's a reason she's bred back that way.
- She has found her way to our donor pen, and we are building a bank, which is why we are offering her now.
- 6 traits in the top 3% of the breed, WW, YW, SC, CW, REA and CHB.
- She might be our favorite 45C daughter we've had!
- Confirmed pregnant to TH 66G 2157K Union 528M ET due 1/9/27.

- 426N, even though young in age, is truly as good as anything we have ever brought to offer at the Breeder's Cup.
- This is an individual we thought made too much sense not to have in the sale, with two of the Boyd family's past and present great herd sires being brothers to this female.
- Her dam, TH Lana 76E, who is also the mother of Boyd Power Surge and Wild Card, was one of the great donor cows we ever utilized at Chapman Land & Cattle. Her sire, Huth Deluxe, is also the sire of 4B Exclusive, who is not only generating buzz within Charlie's program, but all around the country.
- It is always hard to watch the good ones leave, but this one will hurt a little extra. Buy with confidence.
- Top 5% – REA, CHB.

- An opportunity to jump on board early with one of the first Gunsmoke daughters that will go into production this fall.
- Gunsmoke delivered as much buzz initially when he burst onto the scene as any bull in recent memory.
- With the influence of the Candy Meadow Farm program on her bottom side, run by the Helms family, 21M is bound to have a long life of high productivity ahead of her.
- Pasture exposed to CLC JTW K016 No Risk 83J 333M (P44640416) from 3/3/26 through 4/10/26. Safe in calf.

- Take notice of this high-end donor prospect!
- A direct daughter of former national champion H Thomas County 1443 and a maternal sister to breed giant RST Final Print 0016. This female has only gotten better with age, and with her genomic and phenotypic makeup, we believe the earning potential for her next owner could be quite high.
- She is dark red, extremely feminine and offers the type of maternal and carcass blend that so many in the Hereford breed are enthused about.
- Pasture exposed to CLC JTW K016 No Risk 83J 333M (P44640416) from 3/3/26 through 4/10/26. Safe in calf.

- A true brood cow in the making, 33M is ring-eyed, red to the ground and very complete in her skeletal design.
- She is one of the last remaining offspring to be offered from the NJW Manifest x Rampage 903 mating, which produced a top-selling bull in our annual bull sale to Bill Litman of Pennsylvania, as well as a member of a reserve division champion pen of heifers at the National Western. Don't miss out on this front-pasture type of breeding piece.

- An individual we believe to be a true dual-purpose mating. The maternal ability in the cow families of Bar JZ On Demand and KJ Salsa 364C speaks for itself.
- To go along with that, the success in the show ring of both offspring of the sire and dam in recent years is hard to match.
- The story in 392N's pedigree is truly not one you can find every day. This meat-wagon type of heifer is worth someone's consideration. Homozygous Polled.
- Bred AI on 6/3/26 to Boyd Pursuit 4032 (P44552330), then pasture exposed from 6/13/26 through 8/3/26 to DTF CLC WF Dauntless J338 4M03 (P44583398). Breeding information available sale day.

- This new, up-and-coming donor, 25M, is a bit of an outcross pedigree for our operation, but we are excited to see what the future holds and are very happy about how she has turned out thus far.
- She is a nice patterned, freckle-faced, perfect uddered young donor with no glaring holes.
- 25M is the type of female we would take a pasture full of in a heartbeat.
- We can't wait to see how this female goes to work for us in the years to come and believe this mating to Exclusive will be extremely successful.

- We absolutely love our Bar JZ On Demand daughter we have in production and believe he will cross to a T with the 1050 donor.
- 1050 was one of the top-selling lots in the 2026 Rockin' in the South sale, going to Graham Green of Abby Hill Farms in Canada.
- Look for offspring of this particular cross to surface in the months to come.
