

LINE 1 LADIES FEMALE EVENT

ELITE FEMALE SALE

SEPT. 25, 2026 • 1 P.M. (MST)

AT THE RANCH

Holden Herefords

WELCOME

We would like to invite you attend our "Line One Ladies Female Event" sale at the ranch. We feel this is an exceptional set of elite Line One females. This is a fantastic opportunity to dip into the heart of our herd and buy females that are capable of taking any program to the next level. We have an outstanding mix of proven donors, top end bred heifers, elite young bred cows, along with all our proven brood cows born in 2018 and 2019. We are also offering a 1/2 embryo interest in some of our very best donors along with pregnant recipients and frozen embryos from some top matings.

2026 has been an exciting year in the cattle business. Calf markets have been through the roof this summer, and the demand for quality Hereford genetics continues to get nothing but stronger. We feel this trend will continue for at least a couple more years, and Herefords will continue to play a large role in the beef business. The demand is out there and it's real. Herefords are back, and we are proud to be in this business and producing this great breed of cattle. Hereford bull sales this spring were off the charts, and it is very exciting to see the demand from the commercial sector for quality Hereford genetics.

We feel this offering is one of our best ever in combining phenotype, EPD's, and of course proven Holden cow power. These females combine years of selection for performance, and EPD's along with phenotype, structure, udder quality, pigment, and fleshing ability. All of the sale cattle have GE EPDs along with being parentage verified and tested for all known genetic defects.

We feel there is an opportunity to find a true foundation female for your operation that can be a true centerpiece of your genetics going forward. Our females have proven that they can produce progeny that excel in the pasture or showing or any direction you want to go. The Line One females have proven time and again that they will cross well with any line of Hereford cattle and add value. They will breed true and produce progeny that are consistent, predictable, and uniform. We know they will work for you and look forward to your accomplishments with them.

The cattle will be on display from September 23rd-25th. We will have a social hour and dinner here at the ranch on the evening of September 24th beginning at 5 p.m. Lunch will be served on the 24th and on sale day. Please come and be our guests, see a fantastic sale offering, and experience beautiful Montana in late summer. For those unable to attend the sale, it will be available to watch and bid online on LiveAg and LiveAuctions.tv

For further information or if we can assist in any way, please give us a call or drop us a text or an e-mail. We look forward to seeing you on September 25th.

Jack and Tresha Holden & Family
Jay D. and Kelli Evans & Family

Videos of sale are viewable at www.holdenherefords.com and at www.thelivestocklink.com

Terms and Conditions

- All sales are cash unless other arrangements are made with the seller.
- Each animal will sell to the highest bidder without reservation. The auctioneer will settle any disputes as to bidding. His decision will be final.
- Individual health papers will be furnished with each animal, which will permit shipment to any state, Canada or Mexico.
- All sale cattle have been parentage verified and tested free for IE, DL, HY, and MSUD. All sale cattle have also been tested negative for BLV, Johnes, and BVD PI
- Exposed females will be pregnancy tested and pregnancy status will be available at sale time. Pregnant cows are considered breeders without further guarantee. All open females are guaranteed to breed by natural service. In case an adjustment is required, it will be made with a replacement animal of equal value to the animal in question or credit on the purchase of another animal. No adjustments will be made after nine months from sale day on any animals.
- The animal becomes the property of the purchaser as soon as sold, but it shall be the responsibility of the seller to see that animals are properly cared for until delivery to the purchaser.
- Any death or injury after the animal is sold is at the buyer's risk. Insurance is highly recommended.
- Anyone attending this sale attends at their own risk and without liability on the part of the owners, their employees or agents.
- Corrections or additions of any information contained in the sale catalog will be announced from the auction stand and will take precedence over any printed material.

Delivery

We are offering free delivery for the first 1,000 miles on all purchases totaling \$7,500 or more. These deliveries will be to central points but we will work to get them as close as possible for all buyers. Also, we will guarantee that the buyer's cost for delivery after the first 1,000 miles will not exceed \$400 per head.

Please join us for a social hour and dinner at the ranch on September 24th beginning at 5 p.m.

Sale is located nine miles southwest of Valier on the Valier Dupuyer Road.

- EXTRA PIGMENT, MUSCLE, AND BODY
- This well marked 1128J daughter is an absolute tank with loads of volume and fleshing ability. Look at the depth of flank and muscle expression she displays.
- Maternal sister to the 0270H bull that topped our 2022 Sale at \$95,000 for 1/2 interest
- Dam is a daughter of the 4287B donor.
- Definite donor potential.

Lot 88 THREE GRADE 1 IVF EMBRYOS

- Here is an exciting mating. 2173K is one of our top donors and the dam of the 4166M bull that sold for \$60,000 to Baumgarten Cattle Co. and Ryan and Tina Hermann. She is a power cow out of one of our very best cow families. 5007N was one of the most popular bulls in our spring sale and sold for \$90,000 to W4 Ranch. Semen has not been offered on 5007N yet, so here is a chance to be one of the first to get calves out of this exciting young sire.

- 4008M was the only bull we retained 100% of from our 2024 calf crop. He is big and powerful and out of a great cow. He is a curve bender that works well on heifers.
- Service sire on heifers.
