THE EHLKE ADVANTAGE

ACCURACY

We believe the only good kind of data is accurate data! When it comes to utilizing EPDs and performance data in our herd we recognize these resources as tools that work side by side with phenotype selection. We realize the importance of accurate records and how that information plays a role in building a successful, predictable cow herd.

1ST GENERATION

Our family is proud to be first generation ranchers and have enjoyed watching our kids grow up in the cattle business. We are excited to have the second generation involved on the ranch as we continue to grow. **Starting from humble beginnings has challenged us to work hard and expect more from our cow herd — every cow has to earn her keep!**

OUTCROSS

When searching for new genetics to add to our herd **we know the importance of powerful, outcross genetics that will perform with predictability.** If you're looking for an outcross or something different to add to your herd, we look forward to the opportunity to get to know your operation and help create your success!

On behalf of everyone here at Ehlke Herefords, we invite you to our annual Montana Made Sale. We hope you can come to the ranch to see the sale animals on display, watch the sale closeout and enjoy steak dinner with us. If you can't make it here, please take a look at the sale offering. The sale will be live on Tuesday, September 15th with close out on Saturday, September 19th at 5pm MST.

This year, we have all of our top end bred heifers on offer and rather than write notes on each individual, it is our thought to let you decide and select based on your priorities. We are also offering a select group of fall born opens, as well as 2 outstanding fall born bulls. These are very exciting times in the cattle industry and we feel this offering has potential for "raising the bar".

Special thanks as always to those of you who have purchased and bid in the past, we appreciate your confidence and support. Please, feel free to contact us with any questions you may have. We hope to see you on September 19th!

We couldn't be more pleased to be a partner on 65J. Down Jones posts extreme growth and carcass numbers all while having a strong maternal background. The 65J sons here have been among the first to leave our full offering and his daughters have been visitor favorites. Owned with Clifford Farms and Steve Wolff.
