Balance was our pick out of the Whitehawk bull sale a few years ago and he did not disappoint.

What an opportunity — an own daughter of BW 91H 100W Rita 79Z ET who certainly needs no introduction! 267K is bred to calve to Houston for her 3rd calf a month before her 4th birthday.
267K is sired by UPS 2504 Sensation 7617, a bull co-owned by Upstream Ranch and NJW Herefords, that has 300 calves recorded and sits at the top of the breed for CE, low BW, SCF, and udder traits.
267K is dark red, short-marked, and patterned much like her famous mother. We have a 2-year-old Deluxe son of Rita that we are keeping for ourselves. We intend to share videos of all our sale cattle before the sale.
Bred to SHF Houston D287 H086. Heifer calf was born 9/30/26. Registered as LBK H086 Rita 35P (P44801584)

This big hipped hard working 3-year-old is hard to part with. Fertility and longevity run very strong in this cow family as her dam produced 13 natural calves and a nice bank of embryos for us.
A sister to 18L & 15M was the top selling bred female in the 2022 Mohican sale going to River Valley Herefords in Ontario, CA.
The service to Character is definitely a feature. We have used Character for 4 years now and he is probably the most consistent bull we have ever used for structure, performance, color and quality.

Fancy heifer calf the girls already regret not keeping to show! Her GE-EPDs indicate she should excel in production traits as well with a solid set of numbers that rank her in the top 5% of the breed for CE, BW, SCF, Udder, Teat and $BMI. The Steadfast females are making fabulous cows.

Our favorite Houston and just a 2 year old! Be sure to check out the awesome set of numbers 15M and her calf both have including top 1% of the breed for CHB.
We strive to breed cattle that excel from the pasture to the plate. After topping her contemporaries with a 114% IMF scan, breeding back a month early, and raising a heifer like the one she has - we think this one will continue to do just that. We are extremely excited about the Character calf she is carrying!

Vera was successfully shown as a calf and has developed into an elegant dark red, deep ribbed, good uddered young cow that is sure to catch your eye. Her mother Vanity 80E was our pick of the 2017 River Valley Sale.
Vera's first calf was sold as a bull to Railroad Ranch in Crestline, he scanned a 15.2 in REA at 13 months and 1275 lbs. Her second calf is a very nice Final Print bred heifer Ellie showed this year and is keeping as a replacement.
Vera sells bred to Endure 1L, our Endure x Trust son who is producing calves that look and grow very similar to Endure 173D calves.
Homozygous polled
Pasture exposed 5/23/26 to 8/19/26 to LBK JMK 173D Endure 1L. Observed bred on 6/24/26.

Vivian 32M is a big hipped bred heifer from the same Vanity cow family as Vera 9K. Another retired show heifer of Ellie's. Vivian is sired by our former herd sire Flexx 3F, an Excede son that is now working at Breezy Knoll farm in CT. Flexx is out of the J&L Duranna Cow 9438 and a flushmate to 2 cows that were lot 1's and donors for our friends at J&L Cattle.
The Beacon bull Vivian is bred to we have used several years with great success. ABS describes Beacon as "4 stars for calving ease with strong growth, adds tremendous value to both end product quality and ribeye size". Beacon is homozygous polled & homozygous black.
Homozygous polled by pedigree
AI bred to ABS SimAngus sire Hooks Beacon 56B on 3/6/26. Bioprynt tested and due 12/15 for a quick return on your investment!

When my wife Stacey asked, "Why would you that one?", I frankly don't know. She is a beautiful 2-year-old out of the great one at Mohican West before it dispersed.
Bonnie was Kirbie's and my pick of the dispersal. Near perfect udder, really dark cherry red color, short marked, and bid red eyes. The heifer on her side is WOW! And her EPDS are the cherry on the top.
She is bred back the same as the calf on her side to NJW Rimrock 166K. Pasture exposed from 5/31/26 to 8/1/26. Safe in calf.

This May heifer is a big-time prospect!
Out of NJW Rimrock 166k that keeps stamping them out. If you all like these heifers you should see the ones that we kept at home.
If this heifer is anything like her mother and add in the cow family on Rimrock's side, this is a home run of a Donor/Show prospect.

Fantastic 3-year-old that is raising a big fancy heifer calf.
A few years ago, we were able to partner with Hopkins and Purple Reign Cattle Company on a great herd bull called Purple Sensation 10E ET.
This 3-year-old also goes back to the Rausch cow Deana Jak purchased in the Denver sale and their great DJF Victorino 3027 son they raised.
Great cow power and the udders OH MY!

Pure beef cow describes this COW!!! Stout, functional, elegant, and sweet disposition are some of the best words to describe her. Not to mention she is dark red pigmented and an udder of a 2-year-old.
